A screenshot of a mobile browser displaying the Ticketmaster login page. The status bar at the top shows cellular signal, Wi-Fi, the time 3:52 PM, and 88% battery. The address bar contains a lock icon, the URL 'am.ticketmaster...', and a menu icon. The login form includes an 'Email Address' field, a 'Password' field with a 'SHOW' toggle, a 'Remember Email' checkbox, and a 'Forgot Password?' link. A disclaimer states that by continuing, the user agrees to the Terms of Use, Ticketmaster Privacy Policy, and Shea's Performing Arts Center Privacy Policy. ? I want to change my email address.

Please [contact the Shea's Box Office](#) so that they may assist you in updating your MY SHEA'S Account.

? I tried to log in but got an error.

Please [contact the Shea's Box Office](#) – they will be able to further investigate your account details and assist you with logging into your MY SHEA'S Account.

? Do I need an account to use the App?

You can still use the MY SHEA'S App to look up all our upcoming shows, to get in touch with us, and even buy tickets. You do not need a MY SHEA'S Account to use it, but it certainly enhances the experience!

? Why does it say Ticketmaster? Should I log in with a Ticketmaster account?

The MY SHEA'S Account is hosted through Ticketmaster but is managed by Shea's Performing Arts Center to offer our patrons a better ticketing experience. Your MY SHEA'S Account is separate from your Ticketmaster account. However, if you use the same email and account information for both, you may see any Ticketmaster-purchased tickets for upcoming events at Shea's, even if you can't manage them through your MY SHEA'S Account.
